YOUR JOURNEY IN UK FROM DAY ONE TILL YOU GET A CONSULTANT JOB: Examples from Dumfries

This workshop is based on our successful experience in hosting 4 young doctors from Egypt, 3 of them managed to pass FRCS T&O, listed in GMC Specialist Register and got consultant jobs in as short as 5 years. We are keen to help other doctors through our collaboration with October 6 University.

Program:

09:00 Registration

09:30 Before travelling to UK
Mahmoud Hafez

10:00 IELTS opens doors
Simon Dawson

11:00 GMC Registration & Job Interview
Subodh Srivastava

12:00 After arriving to UK (Mentoring)
Sameh Ansara

13:00 Break

14:00 Evidence based practice
Mahmoud Hafez

15:00 MRCS & FRCS Orth
Subodh Srivastava

16:00 Workshop to address individual needs
(3 groups based on level of progress):

Group 1: Newly graduates and students

Group 2: MRCS holder

Group 3: Seniors who do not want to do MRCS

17:00 Conclusion

Our instructors are:

S. Srivastava, S. Ansara and **M. Hafez** are a team of 3 consultant surgeons who have different experiences on how to help overseas doctors in making their leap to UK. We also have **S. Dawson** who is the British Council IELTS expert
